# Come Out and Play

## Developmental Soccer Program

Boys and Girls ages 7-8-9-10

The program is \$90 for a 12-session package to be used at your convenience.

Join at any time throughout the year by registering at the field. We run a flexible and supplemental program for those recreational players who may want a few more days of training during the week or for players who are interested in getting involved with classic soccer in the future.

All training sessions will be 1.5 hours with emphasis on technique and basic tactics by a qualified licensed coaching staff.

Trainings are every Monday and Friday starting November 28th, from 4:30-6:00 pm at THPRD Rec. Center at 158<sup>th</sup> and Walker Road (turf field). The program will take a break starting Dec. 18<sup>th</sup> and will start up again on Jan. 6, 2006. \*Bring shin guards, cleats, water and a ball \*

In Jan. 2006 we will start a program for 5 and 6 year old kids. The program will be one day a week on a drop in basis for a 1.5-hour period, \$5 a session. Check the website in December [www.thusc.org](http://www.thusc.org) for information.
