

CROSSFIRE UNITED OREGON PROGRAM OVERVIEW

CROSSFIRE UNITED OREGON Parents of Rising U14-U18 Girls:

CROSSFIRE UNITED OREGON is pleased to announce the ECNL structure for the 2014-2015 Season. CROSSFIRE UNITED OREGON revised structure will have a positive effect on **ALL** levels of players in terms of additional opportunities. Our organization can now give players more opportunities for those aspiring to play at the next level.

The Elite Club National League (ECNL) is the highest level of girls' youth soccer in the country with the top 76 clubs playing in regionalized leagues and showcase events providing maximum exposure for our older/highest level players. CROSSFIRE UNITED OREGON is one of only two clubs in Oregon to apply to this elite program.

This year, CROSSFIRE UNITED OREGON has applied to be a part of the Northwest conference for the U14-U18 age groups. The U14 team will play conference play and cross-conference tournaments. The U15-U18 teams will play conference play, a number of National College Showcase events and in the National playoffs held in 2014-2015.

The structure of the ECNL teams will not just be a 16-18 player roster. Players that are selected for any ECNL team may be moved into another age appropriate ECNL team for conference or tournament play. This roster flexibility is due to the amount of competitive games and intense schedule; each ECNL team also has the ability to pull players up from our other CROSSFIRE UNITED OREGON OPL teams for any games during the season to give more players of quality an opportunity to experience playing in the ECNL.

Additional training opportunities will allow the CROSSFIRE UNITED OREGON players to attend sessions and train with ECNL teams. The ECNL staff will be attending games and training sessions throughout the season as we continue to monitor and identify players from within our program. Those individuals that progress will be given opportunities to play games in addition to playing on their respective Premier level teams.
